

# Adopt A Beep Baseball

The National Beep Baseball Association is proud to sponsor the annual World Series of Beep Baseball. The 2016 World Series will be held in Ames, IA, July 24-30, 2016. Beep Baseball is an adaptive version of baseball designed for the visually impaired.

Beep Baseballs are manufactured by the TeleCom Pioneers, currently in Denver, CO, as a volunteer project. As there will be as many as 20 teams participating in this tournament, the need for a minimum of 300 beep baseballs is necessary. You or your organization, firm, company or corporation can have your name printed on a ball. Your sponsored ball will be used during World Series play. Be a part of the World Series of Beep Baseball by adopting a beep baseball today. Your support is appreciated AND tax deductible!

\_\_\_\_\_ would like to sponsor \_\_\_\_\_ beep baseballs  
(Name to be printed on ball) ( # of balls)

PLEASE PRINT CLEARLY!

Amount of donation \$ \_\_\_\_\_ (# of balls x \$100)

Please make checks payable to the Iowa Lions Foundation.

After the tournament, you can have the ball(s) returned to you as a keepsake or you can donate them to the NBBA's World Series host city beep baseball team.

Please check one:

\_\_\_\_\_ Return ball(s) for keepsake (please include your address).

\_\_\_\_\_ Please donate ball(s) to the NBBA's World Series host city team, the Iowa Reapers.

Again, your support in any amount is greatly appreciated!

Sincerely,

Tim Wilson  
State Administrator  
Lions Clubs of Iowa
