

Volunteer Application

The National Beep Baseball Association World Series is an adaptive version of baseball designed for the visually impaired. Ames has been selected to host the 2016 World Series, which will host up to 20 teams from around the United States, Taiwan and Canada.

Beep Baseball was organized to give visually impaired athletes a chance to compete in their very own version of America's past time.

Volunteers from Ames and the area communities are what make it possible for Ames to host events such as the Beep Baseball World Series. We want you to know that we appreciate you volunteering your services to these athletes.

Beep Baseball is...

FUN!

EXCITING!

REWARDING!
